STAT ATTENTION:

STAT FROM:
Chief of Operations (PSI)

SUBJECT: Study of Harassments and Provocations

In response to your request for comments on subject document, PSI considers the document to be excellent for giving defensive briefings to contractors. However, the wording on page 12 seems awkward (see underlined). It is suggested "described" vice "displayed" since the medical analysis seems to have occurred after the symptoms had disappeared. "This" as a reference to "the press" is a rather odd phrasing.
